Law Making And The Scottish Parliament The Early Years ...

The Scotland Act 1998 created a Scottish Parliament with powers to make laws on a range of issues. Schedule 5 of the Scotland Act 1998 lists what is reserved to the UK Parliament. If a matter is not mentioned as being reserved in this part of the Act, it is devolved to the Scottish Parliament.

What are the powers of the Scottish Parliament? - Visit ...

Law making has emerged as one of the defining activities of the Scottish Parliament. In the ten years since devolution the Parliament has passed almost 150 Acts, on subjects ranging from criminal law to evidence, from local government to planning, and from mental health to family law. In doing so it has confounded the expectations of those who thought that law making would not feature prominently among the new Parliament's activities:

Law Making and the Scottish Parliament: The Early Years ...

Both the UK parliament in Westminster and the Scottish Parliament in Holyrood can make laws that affect Scotland. Our page on where does Scots law come from explains more about how the two parliaments work together to make law for Scotland. Court decisions Why are court decisions important? As well as the laws that are debated and made by the Westminster and Scottish Parliaments (see above), the courts can also change and make the law.

How Scots law is made - Shelter Scotland

Since the major function of a parliament is to make laws it was important that the whole legislative process (how laws are made) was devised keeping the four key principles in mind. The legislative process is based on the idea that Parliament itself should be strong, that the people of Scotland from all walks of life, pressure groups, and regions should participate and share power.

delay the implementation of this legislation for a period of 12 months.

Fire and smoke alarms: changes to the law - gov.scot

The Scottish Parliament is made up of all elected members of the Scottish Parliament (MSPs) and is the law making body for devolved matters. It considers any proposed legislation and scrutinises the activities and policies of the Scottish Government through debates, parliamentary questions and the work of committees.

What the Scottish Government does - gov.scot

Scots law recognises four sources of law: legislation, legal precedent, specific academic writings, and custom. Legislation affecting Scotland may be passed by the Scottish Parliament, the United Kingdom Parliament, and the European Union. Some legislation passed by the pre-1707 Parliament of Scotland is still also valid.
